

Thanks again to Jim and yourself for coming and presenting at the Missouri Academy of Nutrition and Dietetics Annual Meeting on April 11. Hope you both were able to get a fun lunch in before headed home that day.

Everyone thanks Jim for his expertise and presentation style.

Can I have a PDF copy of the presentation. We would still like to post for our attendees.

Below is the evaluation and comments from the meeting.

Thanks again to Jim. His topic and presentation kept our room full until the end of the conference. That was a huge win for us.

Thanks,

Marsha Flowers, MHS, RD, LD

Comments:

Supplement talk - did not mention side effects, safety or addictive

Did not discuss the biochemical mechanism as to herbal supplements work

Dr. Painter - Very dynamic
