

Hi Jim,

Hope you are doing well!

The sun has finally decided to shine in PA.

It was so great to work with you again. As you know, I have proposed bringing you back again for 2017 to the committee. We have our first meeting in June and I should have an answer by late July.

The total on site attendance was 250, there were nine no shows. We received a total of 125 evaluations from the attendees. I compiled all the feedback from the conference and your sessions. I also included the evaluation form that was given to the attendees.

The overall average of the speakers was 78%. And of course you were the highest ranked speaker with a 92% overall 😊

The overall conference grade was 86%. That is the highest overall score in the past 8 years!

Thank you for being a part of making the conference the best ever!

Please feel free to contact me if you have any questions regarding the evaluation feedback.

Regards,

Rose
