1	I like nutrition updates, and he was a very good presenter.	5/24/2018 9:49 AM
2	Appreciated nutrition information that was helpful to us as well as those we serve. He was engaging and I appreciated the humor he added to his talk.	5/21/2018 3:04 PM
3	Dietary advice on healthy foods, fats, wheat and GMOs. It is interesting what people are wrong about gluten free foods.	5/21/2018 12:01 PM
4	very good info to share	5/18/2018 2:43 PM
5	Could be less discussion about Christianity.	5/17/2018 3:38 PM
6	By far, the BEST presentation of the entire conference!	5/17/2018 3:03 PM
7	good information, funny made it interesting.	5/17/2018 11:37 AM
8	Presenter gave some enlightening information concerning Heart Healthy with current evidence based research.	5/16/2018 5:18 PM
9	Great speaker!	5/16/2018 10:42 AM
10	Funny, entertaining speaker - still topic is not ground-breaking in the field of nutrition and from most recent research. Please bring speakers who can tell us something we (most RDs and nutritionists) DON'T already know.	5/16/2018 8:44 AM
11	Recommend him to do more.	5/15/2018 5:15 PM
12	The little time I had to watch his opening was excellent. he gathers his audiences attention well. I wish the conference had a copy of his entire speech for those that were not able to stay the whole closing plenary.	5/15/2018 1:49 PM
13	Such a fun presenter. I learned many things from his presentation.	5/15/2018 11:53 AM
14	I learned a lot from this presentation!	5/15/2018 9:27 AM
15	The part about anti-inflammatory was very useful since I was going to present on it the next day.	5/14/2018 8:44 PM
16	Did not attend.	5/14/2018 5:22 PM
17	really enjoyed	5/14/2018 4:53 PM
18	Very entertaining and knowledgeable speaker.	5/14/2018 2:34 PM
19	freezing room	5/14/2018 1:50 PM
20	I wanted to hear this talk but was fighting with the front desk about our credit card. He seemed like a great speaker!! I'm hoping he posts his talk soon.	5/14/2018 1:47 PM
21	Really funny and educational. Please have him again!	5/14/2018 11:54 AM
22	This presentation was one of the highlights of the conference! Very entertaining and educational at the same time.	5/14/2018 9:30 AM
23	Loved this presentation!	5/14/2018 8:19 AM
24	Did not attend this session	5/14/2018 6:13 AM
25	I enjoyed this talk.	5/11/2018 5:07 PM
26	Questionable affiliation with companies. Dr. Painter mentioned specific product names quite a number of times rather than focusing on the nutrition/nutrition issue.	5/11/2018 4:19 PM
27	Absolutely loved his presentation and enthusiasm!	5/11/2018 4:06 PM

28	I think this would be a great presentation for a MCAH and WIC training.. Very entertaining and into harm reduction method.	5/11/2018 4:03 PM
29	I think this was the most informative and insightful speaker. It was nice to hear a non-subjective approach to "gluten" free and sugars, etc. I would love to learn more from this speaker.	5/11/2018 4:00 PM
30	Very interesting	5/11/2018 3:09 PM
